## About Otley Courthouse

Interesting facts that you may not know about the Courthouse

1. The Courtroom was in use as a court right up to **1997!**

2. The Police superintendent's house was built in 1855, and was the first building on the site-

which used to be an **orchard!**

3. The art room used to be a court. It was **so tiny**

that instead of the magistrates retiring

to reach their verdict, the detainee & police

had to retire downstairs and wait.

If you enjoy the variety that Otley Courthouse has to

offer, from regular classes and workshops to

theatre, music and film performances. We hope that

you will consider becoming a Friend of the

Courthouse and support our ongoing work,

preserving the heritage of the building and make us

the hub of the community.

Your kind donations and continued support will

enable us to ensure that future generations can

really appreciate this multi purpose venue for many

years to come.
